

DEAL FOR EVERS NEAR THE CLOSE

Report Says Evers is To Go To the Cubs; Slight Hitch Occurs.

Boston, Massachusetts, June 12.—Johnny Evers to the Cubs is the astonishing news that has broken here and the story is not without foundation, and if the Chicago team will come through with the players wanted by manager Stallings the man who won his reputation in Chicago may be sent to the same place to acquire more.

Want Him in Trade. The Braves who to receive Stallings first demanded Zimmerman and was turned down cold. He was informed that there was no chance of landing Zimmerman, that there was not a hall player in the entire National League who would be exchanged for Halie, and now Stallings and Tricker are attempting to get together upon some new basis.

Which neither Stallings nor Evers will publicly make the admission, it is said that Johnny is displeased with his Boston berth and has been for some time. He has an idea that the local management has taken much of his effectiveness from him because they have curbed his aggressiveness. The management answers this by saying that it was necessary to quiet Evers or permit the umpires to do it and so keep him out of the game.

The result is that Evers is fretting; he isn't hitting; he's taken out of the game when a left hander is on the slab, and all this has added to his discouragement until he is said to be longing for the old days on the Cubs. Tricker is willing to take him; he is eager to get him, and the inside of the yarn is that there is an excellent chance that he will be back where he broke into the majors—with the Cubs.

BIG "DOINGS" IN "V" BOYS' CAMP

Tennis, Baseball and Other Sports Keep Youngsters Very Busy.

Another report of the activities of the V. M. C. A. boys' camp near Mountain Park has been received at the "V." It gives the following interesting sport chatter:

"Dear Mr. Durkee: The second game of the indoor series was 'some' game. At the end of the seventh inning, which, by previous agreement, is the usual length of these games, the score stood 15 to 18. In the next inning the Pretzels made three runs in the first half when the Nellies came to bat. Phil Stever distinguished himself by knocking a home run when the bases were full, making the score 19 to 18 in favor of the Nellies. That makes one game apiece in the indoor series and the Nellies leading with one name in their favor in the outdoor ball."

"Ponford is leading so far in the tennis singles and Virgil Arthur and Jim Lewis are to play Earl Evans and Philip Stevens tomorrow in the final of the tennis doubles. Bruce Revan and Francis Broadus came down from Cloudcroft yesterday, and played some exciting doubles against Virgil Arthur and Marion Kibler, who is sojourning at Mountain Park. The last set ran 15 to 11 in favor of Mountain Park."

"Robert Messimer, Marion Kibler, Bud Whitman and Allan Simpson are camping in a tent house down near the station. Saturday morning we climbed Sugarloaf mountain and had a pleasant trip. We took a good pair of field glasses with us and got a good view of all the surrounding country. On the way back, we hunted for arrow heads and reached camp in time for dinner. "Everybody took a good Saturday afternoon bath in the swimming hole. This water does not seem so cold as it did the first day we tried it and we are making good use of Major's pool."

Three culprits were up before the court last night. Ferdie Lacarra for pouring water from the wash basin into the drinking bucket; Louis Howell for being late for flag raising, and Robert Stewart for staying at the tennis court too long and being late for supper. All were sentenced to do special chores around camp.

"Several boxes of cats arrived on the train from home, yesterday, and the army held a mysterious meeting in the woods last night. One of the members of the navy received a box today and there will probably be another secret gathering tonight, in spite of the fact that the army officers have been trying to induce the owner of the box to desert the navy and join the army."

CLEVER TRAP SHOOTING.

Cripple Creek, Colo., June 12.—With 123 perfect shots each out of a rowdie, 300 George Burke of Denver, and R. H. Rohrer of Colorado Springs, Monday, tied for first place for the shooting medal in the Rocky Mountain Sportsman's association tournament. In the shooting Burke was with 37 broken targets out of a possible 138. Rohrer's score was 140. Events for three days have been arranged.

ALAMOGORDO TENNIS CLUB

Alamogordo, N. M., June 12.—The second tournament to be held by the Alamogordo Tennis club was finished Monday afternoon, J. L. Lawson winning in the final, against Charles Blakely. This tournament was played for the purpose of deciding who would be the "singles" champion of the local club. The tournament was begun on Saturday afternoon and was finished by Sunday evening except the final match which began at 6 o'clock Monday. There are at present more than 50 members of the club, although but 22 were present to participate in this tournament.

Alamogordo is developing some splendid tennis players and the members hope to soon be in position to arrange games with the tennis players of other towns and cities in the state and in El Paso. Blakely, who is a high school player, is improving steadily and will probably be in shape to cope with any high school tennis player in the state next fall.

Tularosa Players Coming Sunday. Next Sunday a group of tennis players from Tularosa will motor to this place to play a few sets with the Alamogordo men.

The Alamogordo Amusement association has built three tennis courts, which are being used the most of the time during the afternoons. The name of tennis has won precedence over any other game this summer and as yet no baseball games have been scheduled on account of the majority of the hall players being more interested in tennis.
